Investors
Boeing Co. absorbed a \$426 million cost blow as it prepares to deliver the first of its delay-plagued aerial tankers to the U.S. Air Force, rattling investors accustomed to smooth sailing from the world's largest planemaker.
BA www.bloomberg.com Wed 07.25.18 12:54 PM

How Amazon could start managing money
It could sell its customers a super-powered robo-adviser or access to cheap funds, some analysts think.
AMZN rss.cnn.com Wed 07.25.18 12:45 PM

Amazon, Google, and Apple have one major hurdle to clear to grow in the smart speaker market (AAPL, AMZN, GOOGL, GOOG)
Lack of trust in the big tech companies offering today's leading smart speakers is the main barrier to consumer adoption of the devices, according to Business Insider Intelligence's exclusive Smart Speaker survey.
